

Sr. No.	Date	Event	Chief Guest	Description
1	9 September 2017	Extension lectures on "Spectroscopic Analysis For Pollution And Disease State Establishment" and "Organic Reaction Mechanism For Green Chemistry and Sustainable Development"	Dr. Narinder Singh Professor Indian Institute of Technology, Ropar and Dr. Navneet Kaur Professor, Department of Chemistry, Panjab University, Chandigarh	Adding one more feather to its cap Gujranwala Guru Nanak Khalsa College, Ludhiana has introduced and added M.Sc. Chemistry as a full time and regular course. It was great endeavor of Post Graduation Department of Chemistry to organize a series of extension lectures for the benefit of students. The first extension lecture took place today and the eminent and learned speakers Dr. Narinder Singh, Professor Indian Institute of Technology, Ropar and Dr. Navneet Kaur, Professor, Department of Chemistry, Panjab University, Chandigarh have delivered their thought provoking and enlightening lectures on the topics, "Spectroscopic Analysis For Pollution And Disease State Establishment" and "Organic Reaction Mechanism For Green Chemistry and Sustainable Development" respectively.
2	26 October 2017	Extension Lecture on "Stereo Chemistry"	Dr. S. S. Bari, Former Registrar, Panjab University, Chandigarh and Professor in Department of Chemistry Panjab University, Chandigarh	In Gujranwala Guru Nanak Khalsa College, Ludhiana Post Graduate Department of Chemistry organised the Extension Lecture on "Stereo Chemistry". Dr. S. S. Bari, Former Registrar, Panjab University, Chandigarh and Professor in Department of Chemistry Panjab University, Chandigarh delivered a wonderful lecture to students of first batch of M. Sc Chemistry of our college.
3	28 February 2018	"Declamation Contest" on the occasion of "National Science Day"	Faculty Participated: Chemistry and Physics Department of GGN Khalsa College, Ludhiana	"Science Club" in the Gujranwala Guru Nanak Khalsa College, Ludhiana organized the "Declamation Contest" on the occasion of "National Science Day". B. Sc and M. Sc Chemistry students participated in this contest. Congratulations to Science Club, HOD of Physics and Chemistry departments, Winners and all participants.
4	16 April 2018	Two Days "International Conference on Science	Dr. R. K. Kohli, Hon'ble Vice	Faculty of Science in the Gujranwala Guru Nanak Khalsa College, Ludhiana

		and Technology: Trends and Challenges"	Chancellor of Central University of Punjab	<p>organized the Two Days "International Conference on Science and Technology: Trends and Challenges" in the collaboration with Punjab Academy of Sciences, Patiala Patiala. Nearly 400 research papers received from various parts of India and USA, Canada, Australia etc.</p> <p>Our Chief Guest Dr. R. K. Kohli, Hon'ble Vice Chancellor of Central University of Punjab delivered the Presidential Speech. Our Guest of Honour Dr. R. S. Khandpur, Former Director, Pushpa Gujral Science City, Kapurthala gave very informative lecture. Dr. I. J. S. Bansal, Founder President of Punjab Academy of Sciences delivered the Keynote Address. Dr. S. P. Singh, Former Vice Chancellor, GNDU, Amritsar and S. G. S. Narula, President, GKEC, Ludhiana, Prof. P. S. Kapur, Former Pro Vice Chancellor, GNDU, Amritsar and members of GKEC also grace the occasion with their kind presence.</p>
5	17 April 2018	International Conference on Science and Technology: Trends and Challenges	Dr. S. K. Das Hon'ble Director, Indian Institute of Technology, Ropar	<p>On the Second and Last Day of "International Conference on Science and Technology: Trends and Challenges" the Valedictory Function is organized in the Gujranwala Guru Nanak Khalsa College, Ludhiana. Dr. S. K. Das, Hon'ble Director, Indian Institute of Technology, Ropar grace the occasion as the Chief Guest. He delivered a marvellous lecture. Dr. S. S. Hundal, Guest of Honour, represented the Punjab Academy of Sciences. S. G. S. Narula, President GKEC, and members of GKEC also grace the occasion.</p>
6	2 May 2018	Declaration of the result of M.Sc. I Chemistry	Ms. Roopreet Kaur Ms. Raina	<p>Students of First Batch of M. Sc. Chemistry in the Gujranwala Guru Nanak Khalsa College, Ludhiana brought laurels to college by excelling in the Panjab University Exams. In</p>

				recently declared results, Our two students got positions in Panjab University's Merit List. 24 students got first divisions and 13 students got second division.
7	4 September 2018	Extension Lecture to Students of M. Sc. Chemistry on the topic 'Protein'.	Dr. Yashveer Singh Department of Chemistry, Indian Institute of Technology, Ropar	Today the Post Graduate Department of Chemistry in the Gujranwala Guru Nanak Khalsa College, Ludhiana invited Dr. Yashveer Singh, Department of Chemistry, Indian Institute of Technology, Ropar to deliver a Extension Lecture to Students of M. Sc. Chemistry on the topic 'Protein'.
8	03 Nov 2018	Extension Lecture	Dr. M. S. Gill, National Institute of Pharmaceutical Education and Research (NIPER), Mohali	Post Graduate Department of Chemistry in the Gujranwala Guru Nanak Khalsa College, Ludhiana invited Dr. M. S. Gill from National Institute of Pharmaceutical Education and Research (NIPER), Mohali to share his views and expertise on "Process Chemistry and Synthesis of APIs" with our students of M. Sc. Chemistry
9	15 Feb 2019	One-day National Seminar on the Topic "Science and Technology: Trends and Challenges	Prof Geoff Layer, Hon'ble Vice-Chancellor, University of Wolverhampton, (England) and Dr. Karamjit Singh, Registrar, Panjab University, Chandigarh Dr Opinderjit Takhar, Director, Centre for Punjabi and Religious Studies, Wolverhampton University, Dr. S. S. Bari, Panjab University, Chandigarh and	One-day National Seminar on the Topic "Science and Technology: Trends and Challenges" is organised by the Faculty of Science in the Gujranwala Guru Nanak Khalsa College, Civil Lines, Ludhiana. Prof Geoff Layer, Hon'ble Vice-Chancellor, University of Wolverhampton, (England) and Dr. Karamjit Singh, Registrar, Panjab University, Chandigarh, graced the Inaugural Session with their benign presence as the Chief Guest and the Guest of Honour respectively. On this occasion, Five Books related with Physics, Chemistry, Life Sciences, Mathematics and Computer Science published by the Gujranwala Guru Nanak Khalsa College, Ludhiana are released. The motive of publishing these books is to encourage the activities of science and technology in the college. In this Seminar, Dr Opinderjit Takhar,

			<p>Dr. Pushpinder Singh, Indian Institute of Technology, Ropar</p>	<p>Director, Centre for Punjabi and Religious Studies, Wolverhampton University, Dr. S. S. Bari, Panjab University, Chandigarh and Dr. Pushpinder Singh, Indian Institute of Technology, Ropar delivered their highly thought provoking lectures. S. G. S. Narula, President, GKEC and Members of GKEC also graced the occasion with their kind presence. Congratulations to organising team for organising this highly successful seminar.</p>
10	09 March 2019	SPECTRA- 2019	<p>Dr. Surinder Singh Kukal Dean, College of Agriculture, Punjab Agriculture University, Ludhiana</p>	<p>Faculty of Science (Department of Physics, Chemistry, Mathematics and Computer Science) of Gujranwala Guru Nanak Khalsa College, Ludhiana, organized “SPECTRA- 2019” (Inter College Competition in which 250 students from more than 30 colleges had participated in 15 different competitions. Dr. Surinder Singh Kukal, Dean, College of Agriculture, Punjab Agriculture University, Ludhiana graced the prize distribution function with his benign presence as the Chief Guest of the ceremony. Dr S.P. Singh (former Vice Chancellor, Guru Nanak Dev University, Amritsar), Honourary General Secretary, Gujranwala Khalsa Educational Council, S. Gursharan Singh Narula, President, Gujranwala Khalsa Educational Council, S. G. K. Singh, S. Bhagwant Singh, S. and S. Hardeep Singh grace the occasion with their august presence.</p>
11	19 Sep 2019	Extension Lecture	<p>Dr. Jandeep Singh, Assistant Professor in Chemistry at Lovely Professional University, Phagwara</p>	<p>P.G. Department of Chemistry, Gujranwala Guru Nanak Khalsa College, Ludhiana has organised an Extension Lecture. Dr. Jandeep Singh, Assistant Professor in Chemistry at Lovely Professional University, Phagwara delivered a lecture on the</p>

				topic "Organo-metallics" which benefitted our students of M. Sc. Chemistry as it was one of the topics from their syllabus.
